

Bring Your Offering Game

Object of the game:

All players will work together as a team to collect all seven Harvest Fruit cards to bring as tithes and first fruits to the house of YAHWEH. When all 7 species of the Land are received, the team wins!

Directions:

Write down all the Feasts of Yahweh, Spiritual Sacrifices, and Harvest Fruits on pieces of paper, OR you can print and cut out the cards attached. (Hint: You can do more than one set of each, especially if you have a large group.) Keep the cards separated by category. Shuffle the cards and lay them in three stacks, face side down OR you can place them in different hats.

Instructions:

Taking turns, each player will draw one of the Feasts of YAHWEH cards and a Spiritual Sacrifices card to offer for that Holy Day.

1. The player will say something about the Feast they have drawn.
(For example they can give facts, tell what happened on that Feast, tell what it pictures in Yahweh's Plan of Salvation, tell what we are to do on that Day, or they can share a special memory or share what they like most about that Holy Day.)
2. The player will also give an example of how they can exhibit a characteristic of the Spiritual Sacrifice they drew.
(For example if Humility was drawn, the player could say if someone needed a chair they would give up their seat for them, or that they would keep themselves from bragging to others; or if someone chose Faith, they could give an example that if their flight was delayed that they would not worry, but trust in Yahweh and encourage others with them.)

The player will then receive a card from the Harvest Fruits stack to offer at the House of YAHWEH.
