# Yahweh's Little Children

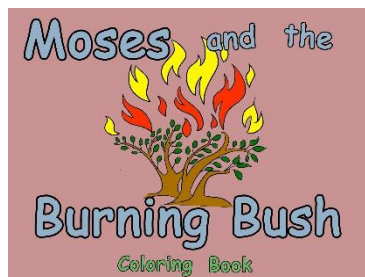

The Bible often tells us that children are a gift from Yahweh and blessings to families. They are a reward and a privilege that require nurturing and guidance to grow into healthy, thriving human beings.

"Train up a child on the opening of this way, even when he is old, he will not turn aside from it," Proverbs 22:6

As parents we are given the responsibility to teach the children about Yahweh and His ways.

So we invite you to do so through creative learning and Bible based activities. Please check our website for more information.

## The Burning Bush and the Name of YAHWEH

Exodus 3:1-15

And Moses was tending the flock of his father-in-law Jethro, the priest of Midian. And he led the flock behind the wilderness and came to the mountain of the Elohim, to Horeb.

And the **Messenger of YAHWEH** appeared to him in a flame of fire from the middle of a thorn bush. And he looked, and behold, the thorn bush was

burning with fire, and the thorn bush was not burned up!

And Moses said, I will turn aside now and see this great sight, why the thorn bush is not burned up.

And YAHWEH saw that he turned

aside to see, and Elohim called to him from the midst of the thorn bush, and said, Moses! Moses! And he said, I am here.

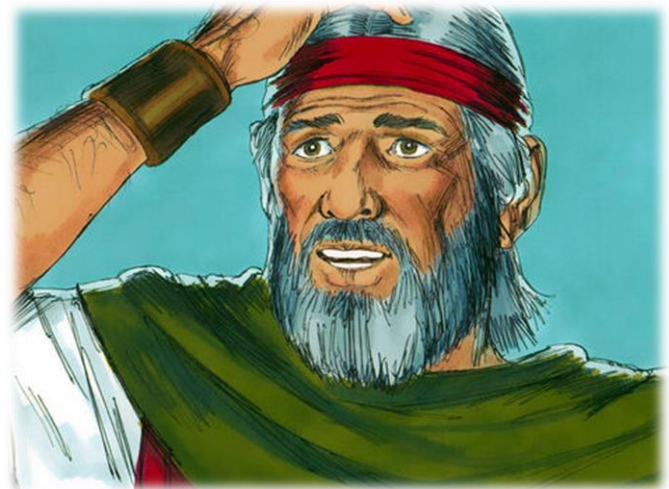

And He said, Do not come near here. Pull off your sandals from your feet, for the place on which you are standing is holy ground.

And He said, I am the Elohim of your fathers, the Elohim of Abraham, the Elohim of Isaac, and the Elohim of Jacob. And Moses hid his face, for he feared to look upon the Elohim.

And YAHWEH said, Surely, I have seen the affliction of My people who are in Egypt, and I have heard their cry from before their taskmasters; for I know his sorrows. And I have come down to deliver them from the hand of the Egyptians, and to bring them up from that land to a good and broad land, to a land flowing with milk and honey; to the place of the Canaanite, and the Hittite, and the Amorite, and the Perizzite and the Hivite and the Jebusite.

And now, behold, the cry of the sons of Israel has come to Me, and I also have seen the oppression with which the Egyptians are oppressing them. And now, come, and I will send

you to Pharaoh, and you bring My people out, the sons of Israel out of Egypt.

And Moses said to the Elohim, Who am I that I should go to Pharaoh, and that I should bring out the sons of Israel from Egypt?

And He said, I will be with you, and this shall be the sign for you that I have sent you, when you bring out the people from Egypt: You shall serve Elohim on this mountain.

And Moses said to the Elohim, Behold, I shall come to the sons of Israel and say to them, the Elohe of your fathers has sent me to you; and they will say to me, What is His name? What shall I say to them?

And Elohim said to Moses, EHYAH ASHER EHYAH (I AM THAT I AM); and He said, You shall say this to the sons of Israel, EHYAH (I AM) has sent me to you.

And Elohim said to Moses again, You shall say this to the sons of Israel, YAHWEH, the Elohe of your fathers, the Elohe of Abraham, the Elohe of Isaac, and the Elohe of Jacob, has sent me to you. This is My name forever, and this is how I should be remembered from generation to generation.

# Mountain of Elohim

The Bible tells us Moses was tending the flock of his father-in-law Jethro, and he came to the mountain of the Elohim which is called Mount Horeb.

In the Arabic language they call this mountain “Jabal Al Lawz .

It means “Mountain of Almonds” in English.

“Jabal” means “mountain” in Arabic, and “Al Lawz” means “almonds.”

This name comes from almond trees in the area surrounding the mountain.

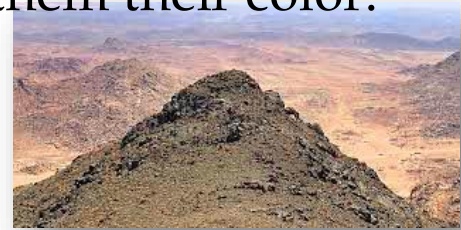

When these trees bloom in the spring they have beautiful white flowers.

The top of Jabal Al Lawz looks black because of the dark-colored rocks there.

These dark rocks contain minerals and materials that give them their color.

Basalt, is known for its dark color because of volcanic activity.

Jabal Al Lawz also has different seasons in the area.

In the summer it is very hot.

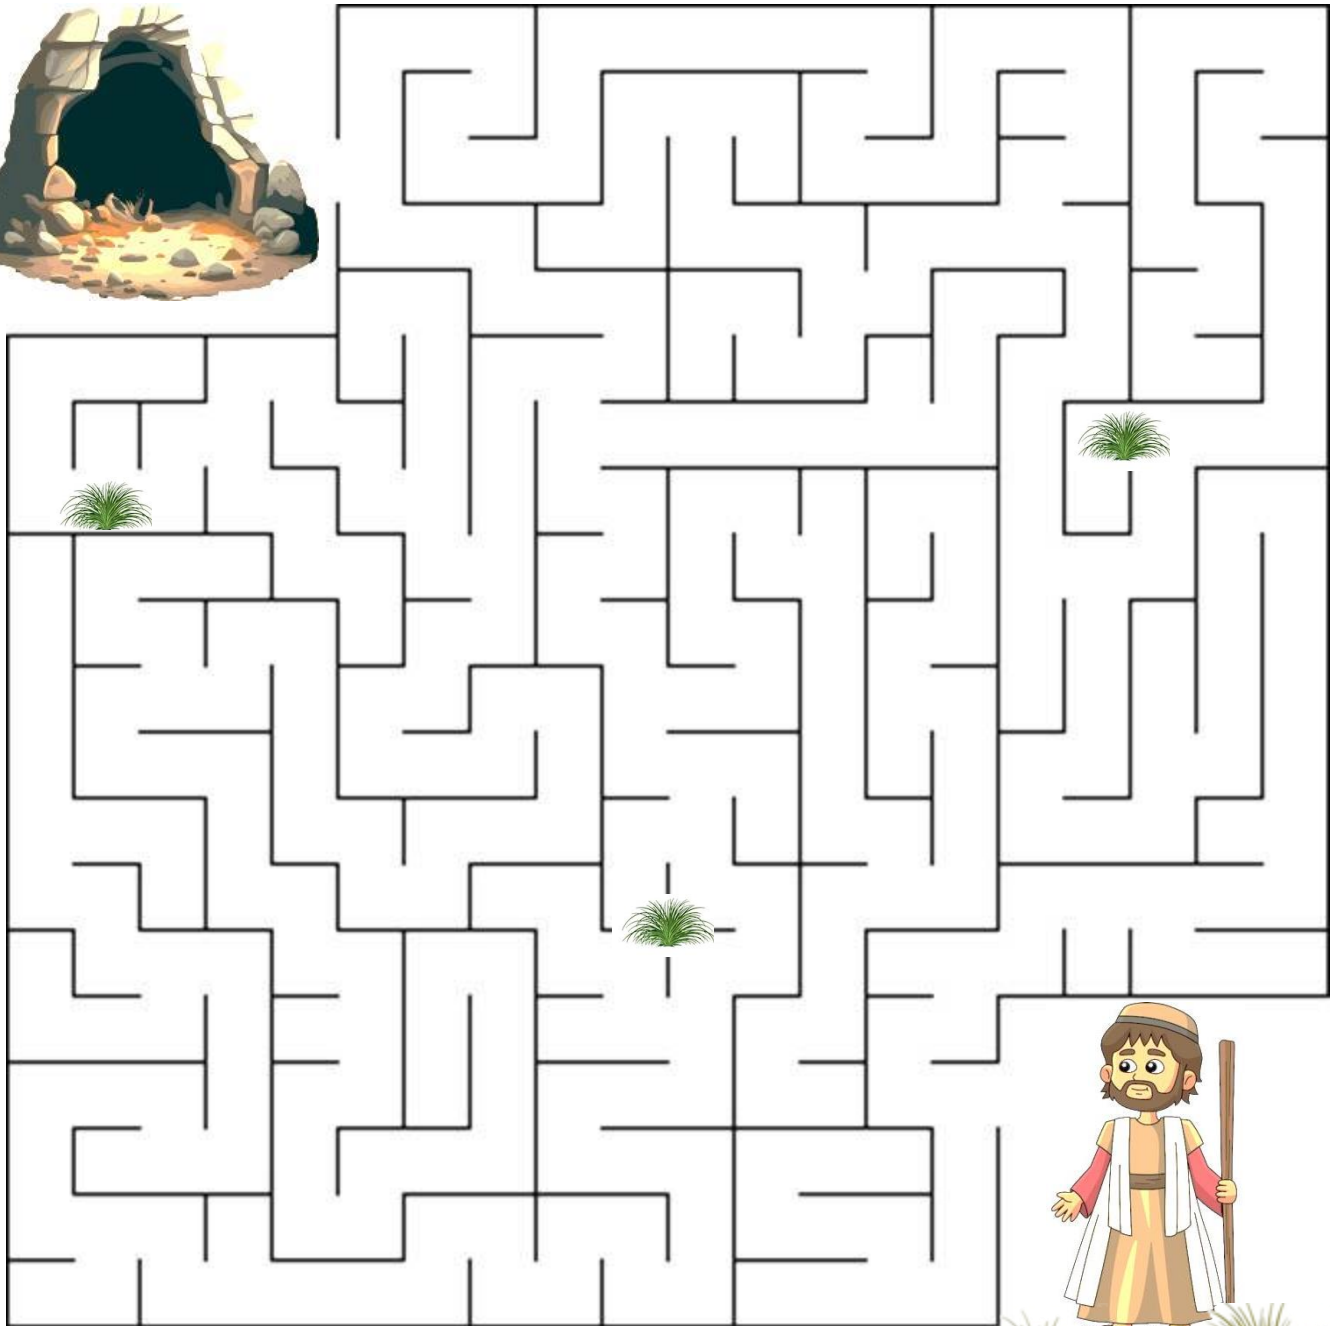

In the winter it can even snow on the mountain.

# The Importance of Names in the Bible

In the bible, names are very important. Many times we see that names may have to do with what you look like, what you will do or how you act (your character).

Yahweh named the first man Adam as he was made from the dust of the ground and was ruddy or red. Adam named his wife Eve (Chavah) which means she became the mother

of all living. There are times when Yahweh changes a person's name to show what a person will do. Abram which means exalted Father (Yahweh), was changed to Abraham meaning the father of many.

Yahshua also changed the names of some of the apostles when he called Simon, Peter, rock. Some people changed their own names as Shaul became Paul.

There are a few people who are named after how they act, for example, Abigail's husband was named Nabal which means fool as he acted foolishly against David (*1 Samuel 25:25*).

But the most important names to remember are those of Yahweh and Yahshua. Moses wanted to know the name of the one true Elohim as he had been raised in Egypt where they had many elohim. Also, in the name Yahshua, there is salvation in no other man for neither is there any other Name under Heaven having been given among men by which we must be saved.

# The Yoke of Oxen

Giving Encouragement and Motivation for Spiritual Strength

**Matthew 11:28-30** says, Come to Me, all those laboring and being burdened, and I will give you rest. Bear my yoke upon you and learn from me. That I am tranquil and I am meek, and in my heart you will find tranquility in your souls. For My yoke is pleasant, and My burden is light.

What is a Yoke?

A Yoke is a wooden beam used between a pair of oxen or other animals to enable them to pull together on a load when working in pairs.

**Did you know that a yoke of oxen can weigh up to 100 pounds or about 45 kilograms? Now imagine having the yoke attached to a cart, carrying heavy stuff.**

Yahshua compares our burdens to problems or worries in our lives.

We can't handle them alone because just like a yoke, they will be too heavy for us.

So He told us to come to Him and He will give us rest, and find peace with His love for us!

Thank you Yahshua for wanting to take on our burdens!

Thank you Yahweh for protecting us in the shadow of Your wings!

## Elijah is Fed by Ravens

Hebrew is read from right to left!

And the word of Yahweh, came to him saying, “go away from here and hide by the נַחַל Cherith, that is before the Jordan. And it shall be, you shall drink of the נַחַל and I shall command the עורבים to feed you there.”

And he went and did according to the Word of Yahweh, for he went and lived by the נַחַל Cherith that is before the Jordan.

And the **עורבים** brought him **לֶחֶם** and **בָּשָׂר** in the morning, and **לֶחֶם** and **בָּשָׂר** in the evening, and he drank of the **נַחַל**.

And the Word of Yahweh came to him saying, "rise up, go to Zarephath that belongs to sidon, and you shall live there. Behold, I commanded a **אַלְמָנָה** woman there to sustain you."

Just like the Israelites in the wilderness, Yahweh provided everything that Elijah need to sustain him during the drought within the land.

What challenges would you face?

# Ravens

Ravens are extremely smart and great problem solvers. They have been known to use tools to obtain food and aid in defending their territories.

Ravens are very talkative, there are over 30 vocal sounds that have been recorded. And, they are excellent at mimicking sounds, such as other animal calls, car alarms, sirens and even human speech!

Ravens can live in many different environments ranging from urban areas and forests to high deserts and tundra.

Ravens like to hide their food from other predators, even other ravens. They often “pretend” to hide food in a safe place while another raven is watching – only to move the food to another location when unobserved!

They have impressive memories, like humans and other primates and it allows them to remember human faces and other characteristics such as emotion. They can even hold grudges whenever they are cheated or tricked.

They love to play and have been seen doing funny things. They even make toys and like to taunt other animals just to have fun.

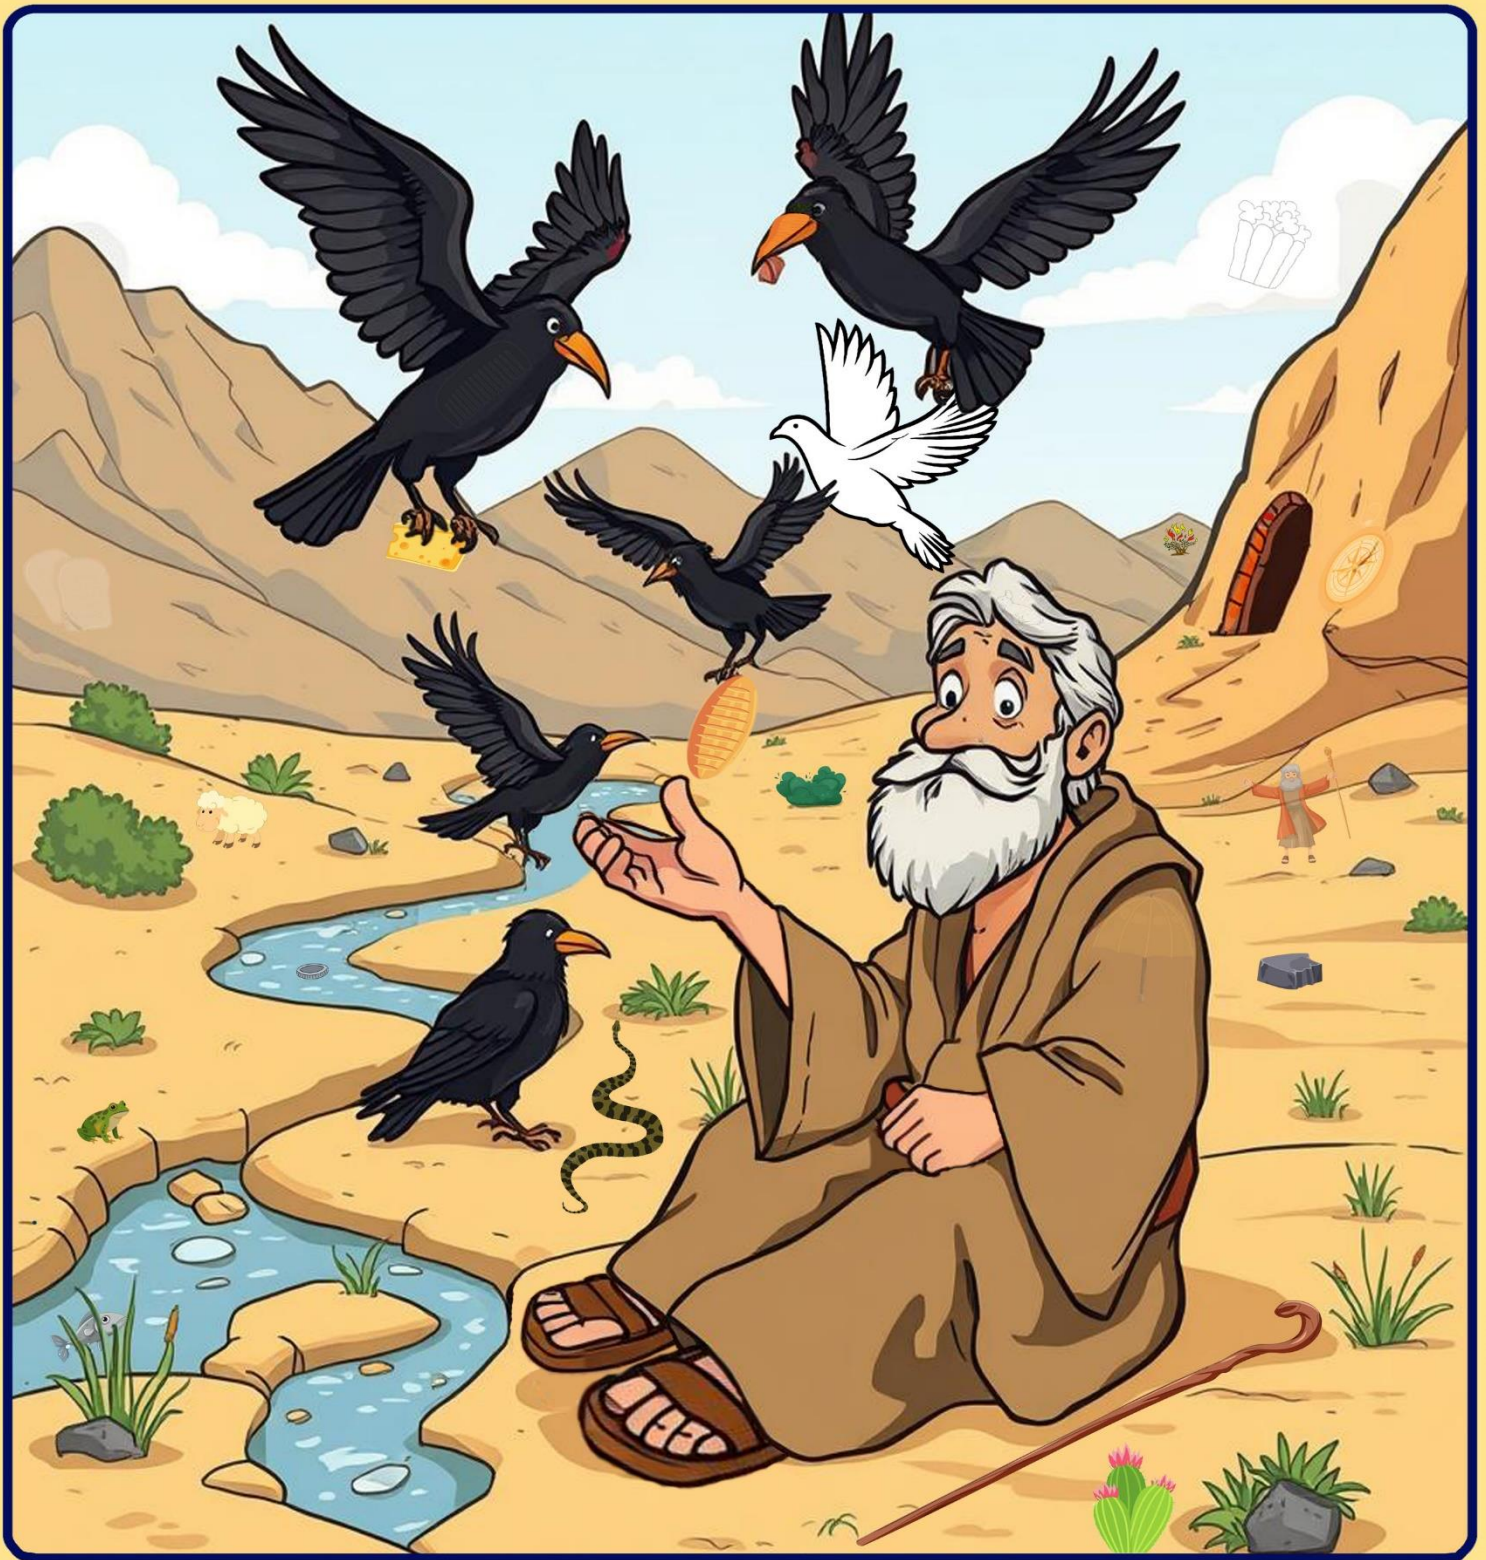

They look a lot like crows. However, ravens are heavier and have bigger bills. They can measure up to 26 inches (66 centimeters) in length.
